

Semi-Final CPC Competition Results – 2008 SAEM Annual Meeting

On May 28th, seventy-two Emergency Medicine Residency Programs competed in the eighteenth annual semi-final CPC (Clinical Pathological Cases) competition. A resident from each participating program submitted a challenging unknown case for discussion by an attending from another residency program. The faculty discussant had 20 minutes to develop a differential diagnosis and explain the thought process leading to the final diagnosis.

Winning presenters and discussants were selected from each of six tracks and these individuals will compete in the CPC finals that will be held at the ACEP Scientific Assembly in Chicago on Monday, October 27 from 1:00 pm - 5:30 pm. The CPC competition is sponsored by ACEP, CORD, EMRA and SAEM and is coordinated by Douglas L. McGee, DO.

Congratulations to the 2008 semi-final winners!

DIVISION 1

Presenter: Jeffrey Lightfoot, MD, Naval Medical Center Portsmouth
Discussant: John S. Rose, MD, University of California Davis

DIVISION 2

Presenter: Aparajita Sohoni, MD, Alameda County Medical Center, Highland Hospital
