

ADVISING STUDENTS COMMITTEE in EM

2020 Medical Student Advising Resource List

Erin Karl, MD; Emily Hillman, MD; Michael Yip, MD;
Jennifer Jackson, MD; Alexis Pelletier-Bui, MD, Liza Smith, MD

Overall:

[Emergency Medicine Residents' Association \(EMRA\) and Council of Residency Directors in EM \(CORD\) Student Advising Guide: An Evidence-Based Approach to Matching in EM](#)

This evidence based guide was written by some of the top EM-specific medical student advisors. It is available free online, and a hard copy is sent to all new EMRA medical student members in their welcome kits.

[Council of Residency Directors in Emergency Medicine \(CORD\) Student Advising Blog](#)

Medical student content focused blog, written by Emergency Medicine (EM) medical educators

[Educational EMRA and American College of Emergency Physicians \(ACEP\) Resources for Medical Students](#)

Use these educational resources, both on and off shift, to increase your knowledge of various emergency medicine topics. These are compliments of membership when you're an EMRA/ACEP member.

[EMRA Advising Resources](#)

One of the largest compilations of advising resources available for EM bound medical students

[EMRA Hangouts](#)

Monthly live video streamed advice from EM leaders covering a wide breadth of EM topics, with recordings of past sessions available on EMRA's website

[EMRA's Student-Resident Mentorship Program](#)

EM bound students are matched with EM residents to provide assistance from someone who's "been there" recently

Performance Improvement for the EM Clerkship:

[Emergency Medicine Clerkship Primer](#)

The CDEM guide on how to shine on your emergency medicine clerkship

[Patient Presentations in Emergency Medicine](#)

EMRA & CDEM sponsored video on how to wow with your patient presentations in the ED

[The 3-Minute Emergency Medicine Medical Student Presentation: A Variation on a Theme](#)

A well-known 3 minute oral presentation guide that many clerkships share as primer reading for clerkship students

[Transitions of Care](#)

This video provides an overview of effective transitions of care, featuring the I-PASS mnemonic, that you can use while signing patients out at the end of each shift in the ED.

[Effective Consultation in Emergency Medicine](#)

This video features the 5Cs of Consultation as a validated model for standardizing communication and provides illustrative examples of effective consultation.

[Clerkship Directors in Emergency Medicine \(CDEM\) Curriculum](#)

Prepare for your EM rotation and for the Society for Academic Emergency Medicine (SAEM) end-of-clerkship exam by reviewing the approach to common chief complaints and pathologies seen in the Emergency Department (ED)

ADVISING STUDENTS COMMITTEE in EM

2020 Medical Student Advising Resource List

Erin Karl, MD; Emily Hillman, MD; Michael Yip, MD;
Jennifer Jackson, MD; Alexis Pelletier-Bui, MD, Liza Smith, MD

[EMRA Match: Clerkships](#)

Change the tab in the upper left side of EMRA Match to “clerkship” to search clerkship programs across the country

[iMedicalApps Emergency Medicine Apps](#)

Several posts on emergency medicine related apps to use on your EM rotation

Application/Match Process:

[EMRA Match](#)

Searchable database/map of EM residency programs to help you find your best fit

[Accreditation Council for Graduate Medical Education \(ACGME\) Program Search](#)

Search residency program accreditation status, including updated accreditation statuses for previous American Osteopathic Association (AOA) programs, and other basic residency program information

[NRMP Interactive Charting Outcomes in the Match](#)

A data tool (using the same data sources as NRMP’s Charting Outcomes in the Match) that uses visualization software to assist Match applicants in determining their fit for various specialties

[National Resident Matching Program \(NRMP\) Main Residency Match Data](#)

Data, research, and survey reports relating to the NRMP Main Residency Match

[EM Advisor](#)

A blog that provides advice for your clinical years, with a large focus on the residency application process

[Academic Life in Emergency Medicine \(ALiEM\): EM Match Advice](#)

ALiEM encompasses an array of clinical and medical education topics; useful for all stages of learning. EM Match Advice is a specific section with videos from program directors giving you their tips for a successful match in EM.

***Medical Student Focused Podcasts:**

*You are definitely not expected to listen to all of these, but it is worth trying out a few to see which format/style works for you. These podcasts are catered to a medical student audience.

[Core EM](#)

This podcast discusses diagnoses that make up the bread and butter of EM. Their website also includes hundreds of articles, a few procedure videos, and a blog.

[EM Basic](#)

Dr. Steve Carroll goes over student/intern level “approach to” core chief complaints.

[EM Clerkship](#)

Dr. Zack Olson goes over student level content for EM topics. Check out the NBME EM Shelf Review episodes while studying for your end-of-clerkship EM shelf exam.

[EM:RAP - Emergency Medicine Reviews and Perspectives](#)

Check out their C3 (Continuous Core Content) series for reviews of how to approach and take care of patients with the most serious and common ED complaints. Complimentary subscription with EMRA membership
