Advising Students Committee for Emergency Medicine

2018 Medical Student Advising Resource List

Alexis Pelletier-Bui, MD; Michael Yip, MD; Emily Hillman, MD
Jennifer Jackson, MD

Overall:

[EMRA Advising Resources Web Page](#)

One of the largest compilations of advising resources available for EM bound medical students

[EMRA's Student-Resident Mentorship Program](#)

EM bound students are matched with EM residents to provide assistance from someone who's "been there" recently

[Council of Residency Directors in Emergency Medicine \(CORD\) Blog](#)

Blog by EM medical educators with intended audience of medical students, residents and other EM leadership. Go to category "Task Force Updates" for student related information.

[EMRA Hangouts](#)

Video streamed advice from EM leaders involving up to 120 students/session and available as a recording after sessions

[EM Stud Podcast](#)

The official CDEM podcast for emergency medicine bound medical students

Application/Match Process:

[EM Advisor](#)

A that provides advice for clinical years with a large focus on the residency application process

[Academic Life in Emergency Medicine \(ALiEM\): EM Match Advice](#)

ALiEM encompasses an array of clinical and medical education topics that is useful for all stages of learning. EM Match Advice is a specific section with videos from program directors giving you their tips for a successful match in EM.

[National Resident Matching Program \(NRMP\) Main Residency Match Data](#)

Data, research & survey reports relating to the NRMP Main Residency Match

[EMRA Match Residency Index](#)

Searchable database/map of EM residency programs to help you find your best fit

[ACGME Program Search](#)

Search residency program accreditation status and other basic residency program information

[AAMC Standardized Video Interview Resources](#)

AAMC's guide for preparing for the SVI for ERAS 2019

Performance Improvement for the EM Clerkship:

[Emergency Medicine Clerkship Primer](#)

The Clerkship Directors in Emergency Medicine (CDEM) guide on how to shine on your emergency medicine clerkship

[Vimeo: Patient Presentations in Emergency Medicine](#)

EMRA & CDEM sponsored video on how to wow with your patient presentation in the ED

[CDEM Curriculum](#)

Prepare for your rotation by reviewing the approach to common chief complaints and pathologies seen in the ED. Listen to the new CDEM Podcast directed towards students going into Emergency Medicine.

[EM Basic Podcast](#)

Steve Carroll goes over student/intern level "approach to" core chief complaints

[iMedicalApps Emergency Medicine Apps](#)

Several posts on emergency medicine related apps to help you shine on your EM rotation
