EMS RIDE ALONG CONTACTS

If you offer this, list contacts here

EMS Ride Alongs should only be scheduled on your off days and it is not considered part of the curriculum.

Place text here if you offer it or similar app based content. List who can add them to it and any specifics as to things they need to know about it.

Survival Tips for the Emergency Dept

1. List your rules they need to know here
2. I.e. What to wear on shift
3. Who to get approval from before proceeding with procedures
4. Time requirements
5. Who can change their shifts
6. How to greet patients/families
7. Wearing their id badge
8. Security and parking
9. Charting
10. Etc...

USE LARGE EASY TO READ PRINT, NOT TOO WORDY, KEEP IT SIMPLE. HAVE THEM READ IT AND THEN ASK IF THEY HAVE QUESTIONS

Thank you and have a great month!

Survival Tips for the Emergency Dept Continued

MORE TEXT IF NEEDED

Hospital Floor Map

- Campus Map

STUDENT ROTATION GUIDELINES

1. Again keep it simple but note important info they need to know before starting a shift.

Recommended Reading Lists: Core Texts

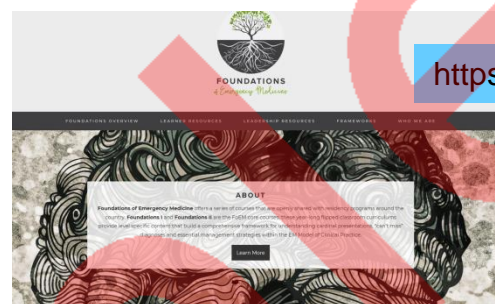

1. Tintinalli JE, Krome RL, Ruiz E (ed): Emergency Medicine – A Comprehensive Study Guide
2. Rosen T, Baker FJ, Barkin RN, (ed): Emergency Medicine – Concepts and Clinical Practice
3. Fleisher G, Ludwig S. (ed): Textbook of Pediatric Emergency Medicine
4. Auerbach, Paul S., MD (ed): Wilderness Medicine
5. Roberts JR, Hedges JR (ed): Clinical Procedures in Emergency Medicine

Journals in the ORMC Medical Library

1. Annals of Emergency Medicine
2. The American Journal of Emergency Medicine
3. Pediatric Emergency Care
4. Journal of Emergency Medicine
5. Emergency Medicine Clinics
