

SGM Resources:

- A. **Sex and Gender in Emergency Medicine Toolkit** (a product of the SAEM SGEM Interest Group) to provide SGM-specific resources for EM educators incorporating SGM into residency and/or medical student training; components of the toolkit (including slide sets, video lectures, interactive learning modules, case examples for small group discussion, oral boards cases, and simulation scenarios) are free and accessible at [www.sexandgenderhealth.org](http://www.sexandgenderhealth.org).
- B. **NIH**; online course series provided by the Office of Research on Women’s Health <https://sexandgendercourse.od.nih.gov/>
- C. **Sex and Gender in Acute Care Medicine** (textbook; Cambridge University Press, 2016)
- D. **PubMed Based Search Tool for Identifying Sex and Gender Specific Health Literature**; <https://www.liebertpub.com/doi/10.1089/jwh.2015.5217> (search tool available at [sexandgenderhealth.org](http://sexandgenderhealth.org))
